LANE

Models from the US don't come much more charming than Lane. She came over and shot at our very own studios and managed to disarm seasoned grumble mag staff by standing and chatting in her birthday suit for a long time after the shoot had finished. While most models are pulling on their Juicy Couture and jumping into their soft-tops to drive off the minute the shoot is done, Lane was happy to spend time making us squirm. The secret is in the eye contact – don't let her know that you're dying to look down at her tits and fanny. After all, we've got the photos for that...

LEXI LOWE

Lexi looks like she's been quick on the uptake with that British summertime custom – sitting outside squinting at a tablet rather than lugging a book around... "Of course I prefer using a tablet to an old fashioned book!" she agrees. "What's the point of carting a great big book around when you can have hundreds all stored on a lightweight tablet?" True enough, and of course when you're reading on a tablet, you don't have to worry about people judging what you're reading, do you? We bet you've got some right filth on there, haven't you? "Well, I have got a few mucky titles, yes, but I can't really read them in public, because I get too horny. It's all very well reading on a train, but people tend to disapprove when you start flicking the bean!" Too true. And who said gadgets had made life more convenient, eh?

MICHELLE B

We loved watching Michelle B opening up those great big doors and revealing herself, but not as much as we enjoyed watching her spreading her never-ending legs and opening up her pussy! "Well, that's the show stopper isn't it! Some people are interested in the opening scene, but deep down they all want to cut to the chase and get what they paid for!" Michelle, it's like you read our minds!

That looks like a comfortable chair. "Yes, it's wide enough to give a great lap dance, and anything else that might lead too." Sounds like just the ticket in that case, when you've got tits as good as Viola here, anybody would want to give them the proper attention they deserve. Though it looks like Viola is ready for a show of her own with that red vibrator!

CHARLIE

Hmm, What's more beautiful than an English rose? Well, looking at Charlie Rose's stunning neatly shaped and cleanly shaved flower isn't a bad shout! "It's obviously a very special place for me and I don't want to sit with my legs akimbo and show it off in such intimate detail, I save that for my boyfriends. Anyway, I think sometimes it's nice to leave something to the imagination."

La Vie Est Belle

TOMMIE JO

We love Tommie Jo over here at Mayfair, and it's not easy to see why. Just look at her perfect form as she grabs the metal headboard of the bed, arches her back and shows off that peachy arse. And then she only goes and spreads her cheeks wide apart and invites (without actually inviting) you in to have a closer look. And don't even get us started on those stockings and high heels, it's all getting a bit too much for us. This is not going to end well!

VALENTINA

Well, we all know about Valentina's knicker fetish, but this time we managed to get her to take them off rather than move them over to one side in order for us to see that rather neat and tidy pussy of hers! "I'm sorry, I just think it's sexy to still be wearing knickers when you're getting fucked. I'm sure I invented the crotchess panties, they're my favourite thing!" We're pretty sure that they existed long before you Valentina, but we're in agreement and we love them too. In fact, rumour has it that the Editor wears them to work sometimes!

JESSICA

A few months ago this set would've caused outrage in the office, featuring as it does an incredibly hot girl sunning herself by the pool in some exotic, far-flung location. But with Summer firmly setting its stall out in good old Blighty, and the sun popping out from behind the clouds, having to look at Jessica catching some rays while she strips off to reveal her curvaceous body is now actually a huge pleasure to behold rather than the source of jealousy and frustration it would've been during those long, horrible winter months. And while it would still be great to be able to climb in there and join Jessica on her poolside couch to rub some tanning lotion into those fantastic boobies, we're not in such a delirious weather-beaten state that we think it's possible. Oh, the joys of Spring – and beautiful girls like Jessica!

ELLA MAI

Ever had sex in a shower? Ella Mai here has, and she swears by it, apparently... "Oh yeah, definitely!" she enthuses. "The first time I ever did it was on holiday in Greece a few years back. The apartment had an amazing bathroom, and as soon as we saw it my boyfriend of the time and me looked at each other and – almost without saying anything – knew that we'd be 'christening' before too long!" We know what you mean – so what happened next? Well first we went down to the pool to unwind after the journey and have a few drinks, but I was so horny we'd only had a couple before we were scampering back up to the room. As soon as we were in there I peeled off, jumped in the shower, and started poking my bum at him provocatively. It wasn't long before he joined me!" Well, we should think not – we'd be up in there in a shot!

BRIANNA

Ryder Some guys like big boobs, and other guys like little titties, but in our eyes they're all the same as long as we can suck on a nice hard nipple! "The feeling is mutual when it comes to guys! I love sucking down on a cock, and the size doesn't really matter to me, it's what the guy can do with it and what I can make out of it. Sometimes too big is too much!" Brianna, we love you!

GEORGIA

We'd love to horse around with Georgia and by the sounds of it she's pretty much up for anything! "I'm not a picky girl really, but I love a good sense of humour above anything when it comes to men! If you can make me laugh you're half way into getting in between my legs, and if you get excited about helping me muck out the horses at my stables in the morning I'll let you fuck me in the arse too!"

SAMANTHA

Gingham undies – you don't see them every day, do you, but having looked at the stupendous Samantha Saint in this get-up, we can't help thinking they ought to be more popular than they are! Mind you, you could wrap her up in any old rubbish and, with her gorgeous looks and stunning body, she'd still look a million dollars! "Well, that's very nice of you to say so, but if you don't mind, I'll pass on being wrapped up in any old rubbish! A nice clean pair of panties and a well-fitting bra will do me just fine!" Alright, we certainly didn't mean to offend. Ahem, anyway, we've seen enough of the bra and the panties now, if you wouldn't mind whipping them off and letting us see what you've got underneath...

EMMA GREEN

You can take the girl out of the valley, but you can't take the valley out of the girl and we were so excited when we found this old set of Welsh beauty Emma Green in the filling cabinet. Well, actually it was on a hard drive, but who cares! Usually, we save the last set in the magazine for a Classic set from twenty-odd years ago but upon our discovery we couldn't help but make Emma a Classic a decade or two early!
